How to

RSVP & entry code

No app, no sign-up

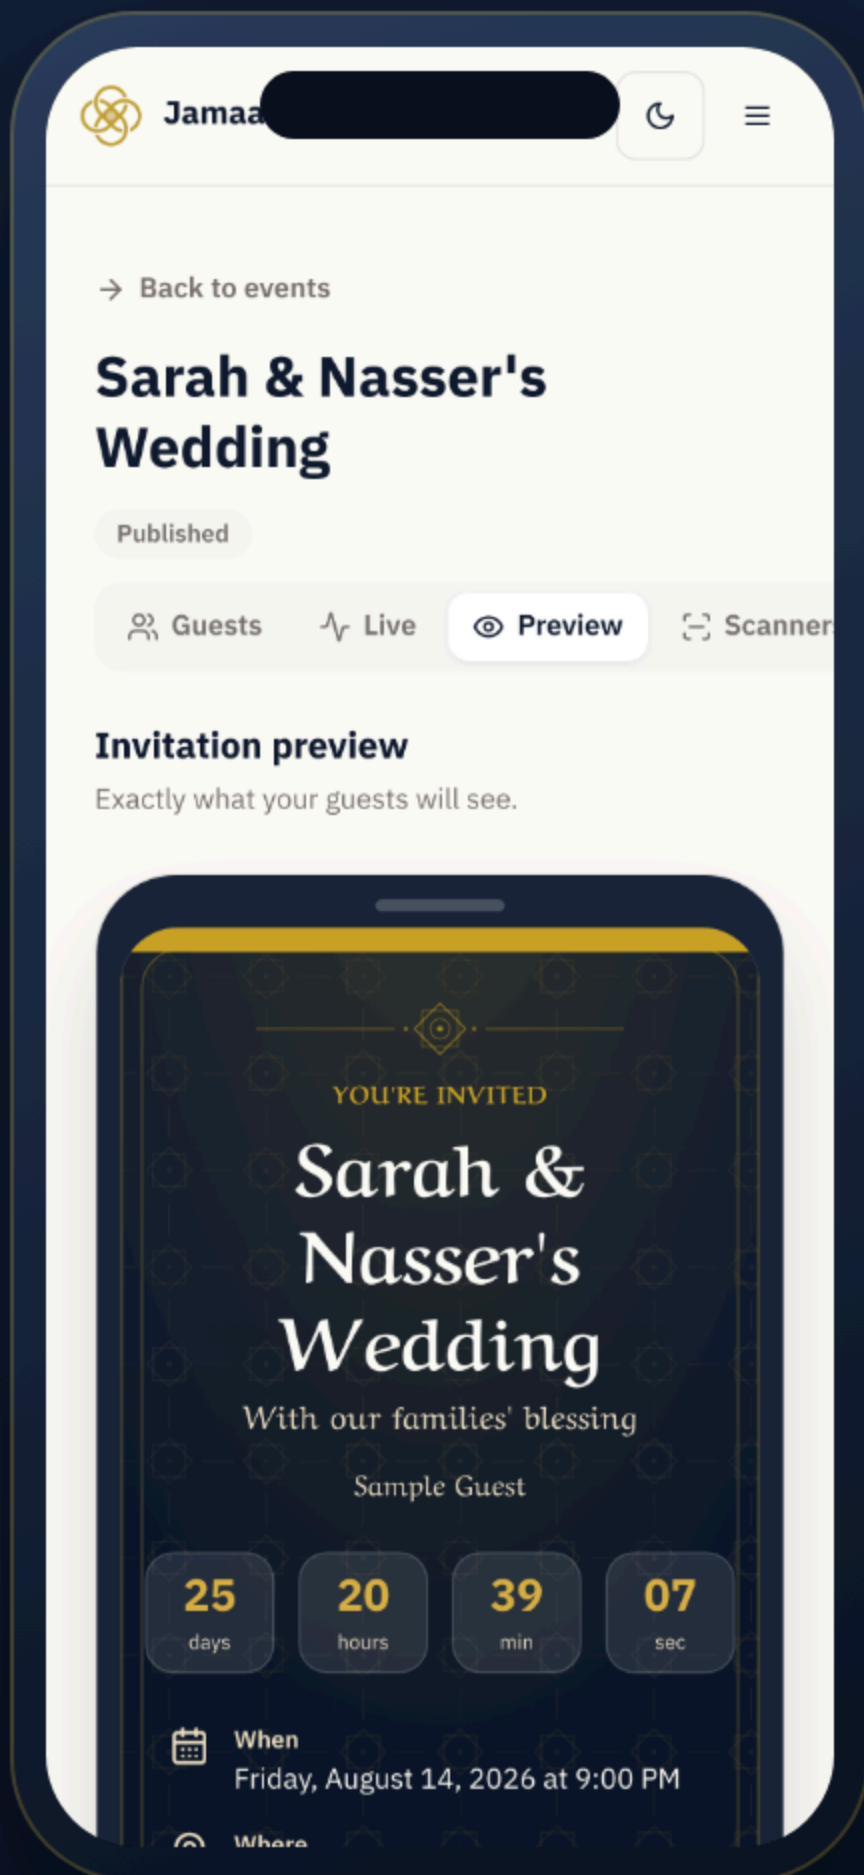

@jamaatna · 2026

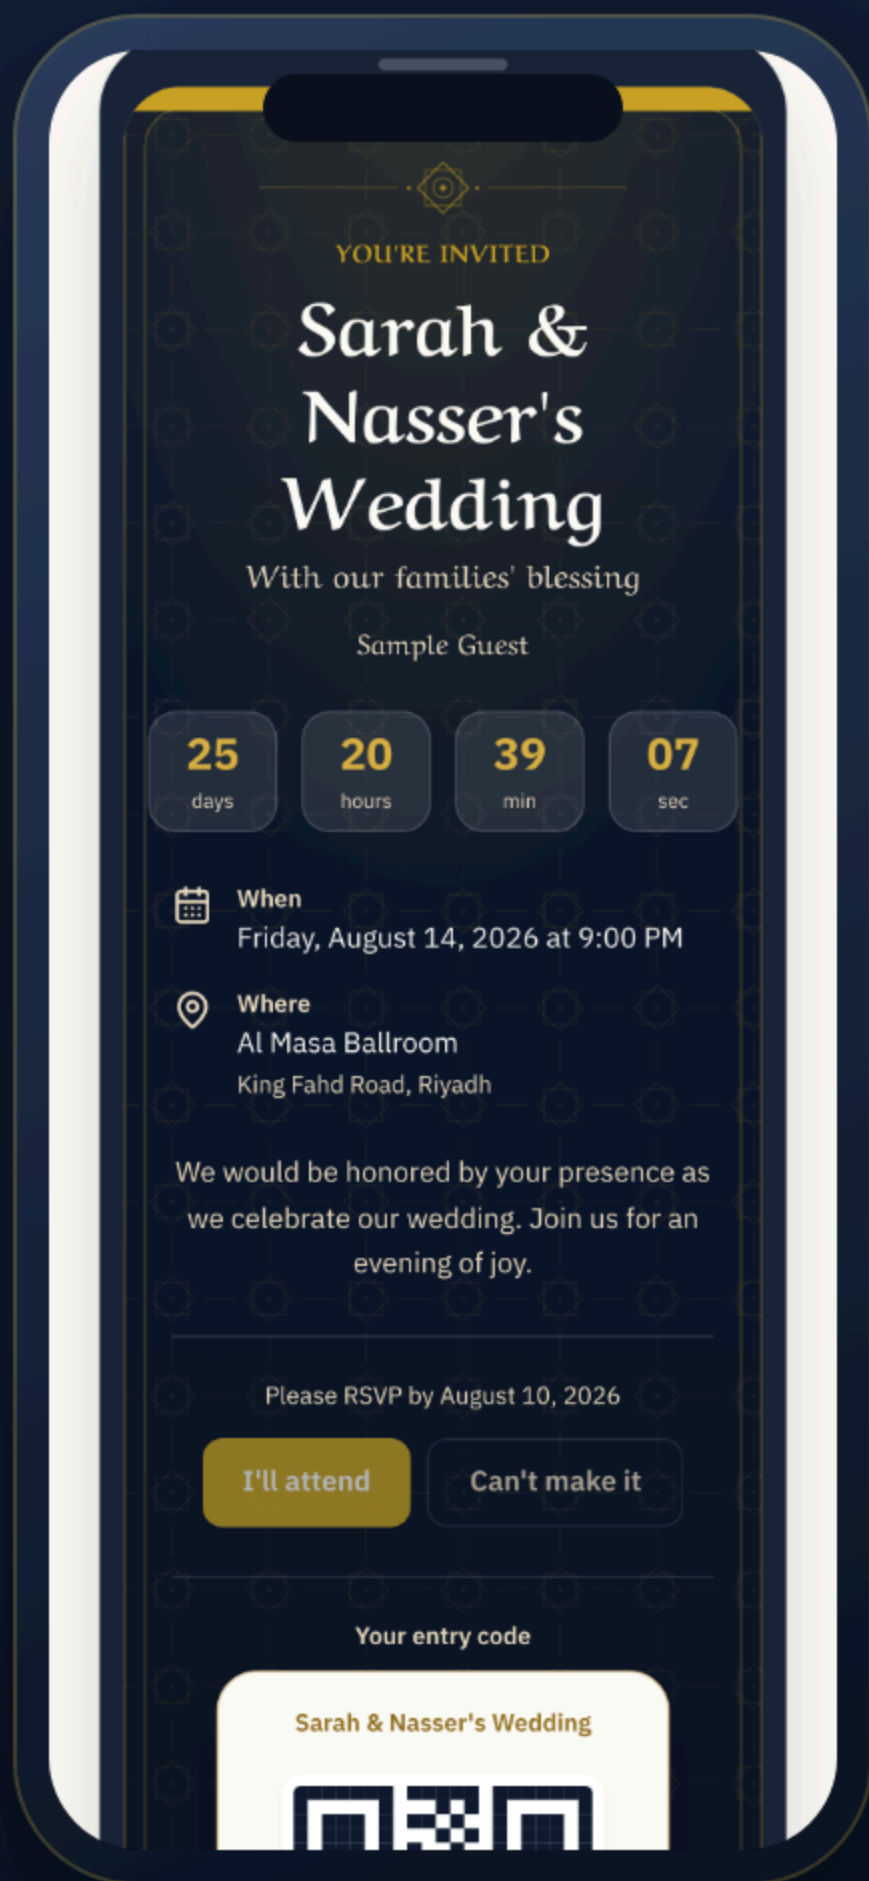

1

Open the invitation link

You receive your own link over WhatsApp. Open it straight in the browser – no app to download. The invitation appears with the event details and a countdown.

◀ **Event name, date and venue**

2

Confirm your attendance in **one tap**

Tap "I'll attend" to confirm, or "Can't make it" if you can't. Your reply reaches the host instantly.

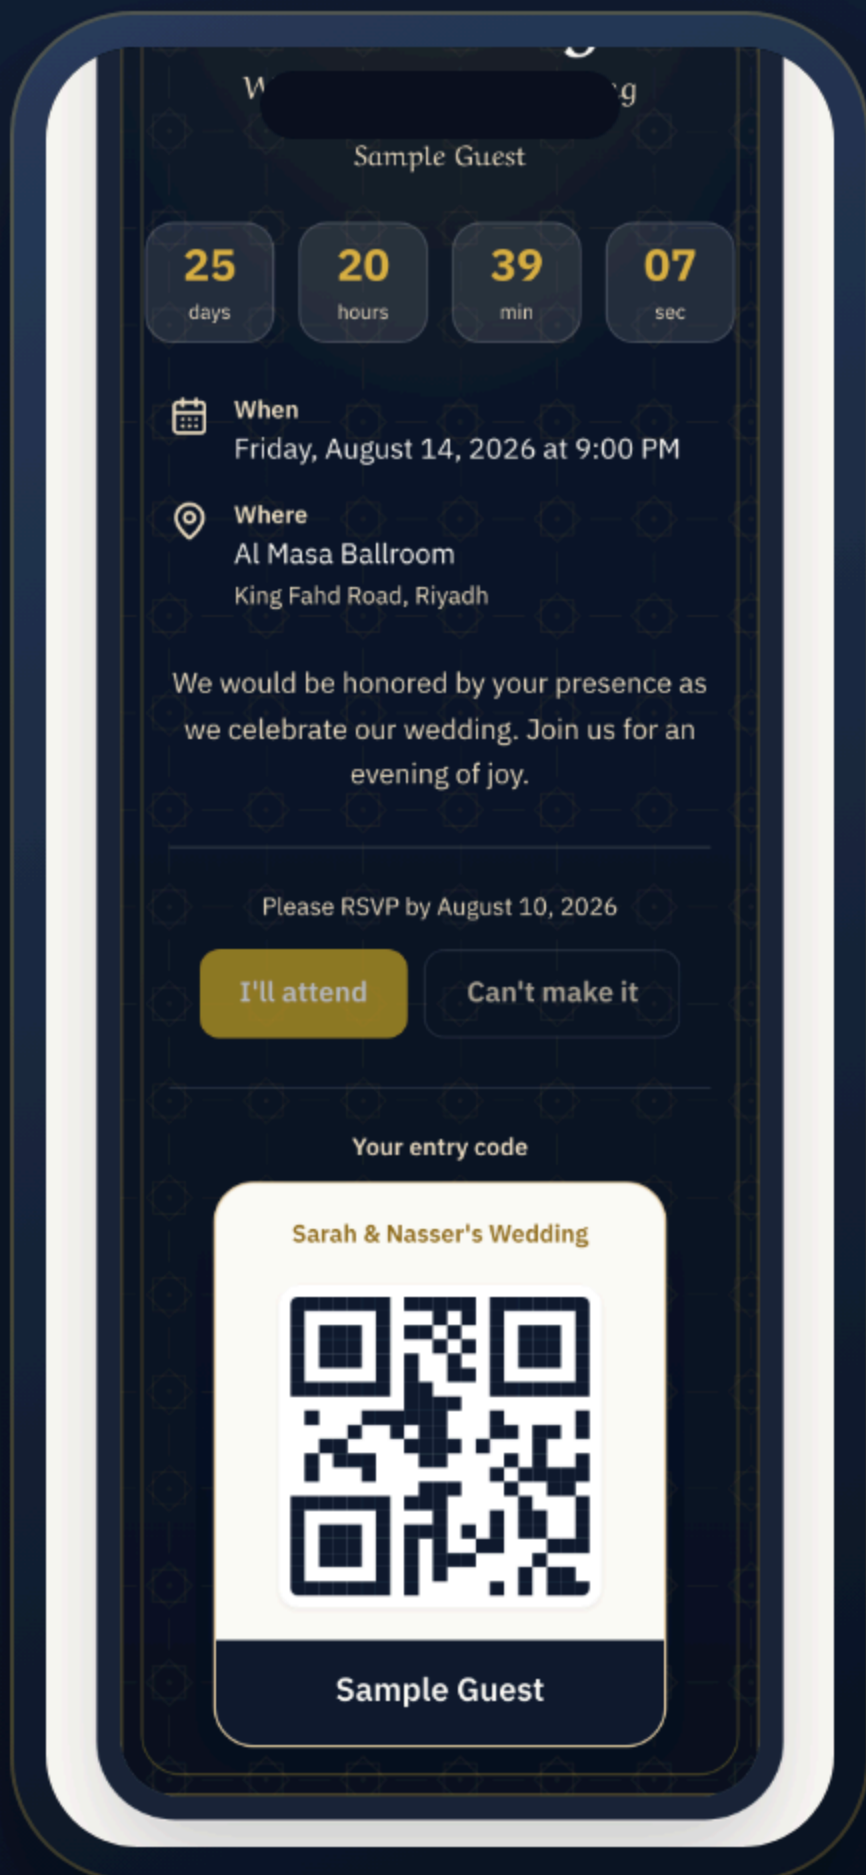

- ◀ **"I'll attend" to confirm**
- ◀ **"Can't make it" to decline**

3

Get your **QR entry code**

Once you confirm, your own entry code appears. Keep it on your phone – it's scanned at the venue door on event day.

- ◀ **Your personal entry code**
- ◀ **Save it to show at the door**
